SALTO INVEST

Radiator without secrets

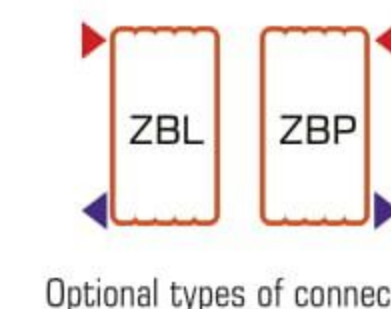

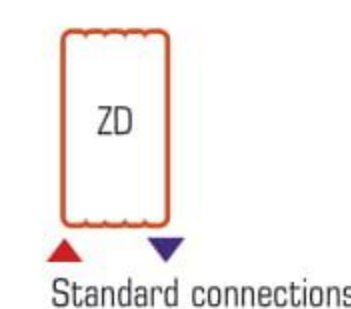

The curved line of this radiator follows new trends in world design, taking care of unique finishing elements. The base of the construction is solid steel tubes with an exceptionally shiny surface. Products from the SALTO line perfectly suit the interiors in a minimalist and modern style.

- > **Vertical pipes:** oval \varnothing 30 x 50
- > **Horizontal pipes:** round \varnothing 20
- > **Detail work:** radiator made from low-carbon steel with powder coated finish
- > **Standard colours:** white RAL 9003 or anthracite RAL 7016
- > **Mounting:** mounting kit included
- > **Further information:** Heater assembly or electric heater available to order
